Navy Relief

Navy men were meant to be
Away from home quite frequently,
For they must sail the Seven Seas
To protect our liberty.
Yet in their absence they are sure
That those they love will be secure.
For standing guard against all grief
Is their shipmate, Navy Relief.

Iron Man Competition Nears Finals

THE IRON MAN

TROPHY

The Iron Man competition is nearing its final stages as playoffs of postponed games are made this week up to 27 May. Winners and runners-up in each sport of each league will compete in tournament play from 30 May to 5 June.

Iron Man point totals are not given here since they change daily, but are posted each day at Fleming Hall.

Lt. Briggs states that scores of postponed game playoffs must be reported by 0830, 28 May.

Tournament game times and places are to be arranged by mutual agreement of team representatives and confirmed with Lt. Briggs. Softball and volley ball schedules permit a two out of three game playoff if desired, but golf and tennis must be a single match.

Bluejackets Open Season This Week

The Blue jackets were eliminated from the Pacific Grove pre-season Tournament when they lost to the Cal Van Team by a score of 8 to 2 in their second game last week. The best the Bluejackets could do that night was to collect five hits. Williams, on the mound for the bluejackets for the first time this year, in previous practices has had very good control and a lot of speed, but was a little wild that night giving up eight free passes to first and eight base hits.

Chief Storekeeper Rhinehart who recently reported aboard with considerable baseball experience has taken over the job of managing the bluejackets, which will be a great asset to the team.

The season opens this week.

B Div Leads Intramurals

B Division leads the softball intramural enlisted leagues with six wins and one loss.

Starting next week, only one game per week will be played to avoid interference with varsity games.

Individual Tournaments Announced

Individual Tournaments in golf ("Medal" play), and tennis singles and doubles are planned for the period beginning 13 June. Officers of the General Line School, Superintendent's Staff and Administrative Command are invited to sign up for these competitions in Room W-104 prior to 5 June. These are strictly for individuals, and have no connection with the Iron Man competition.

Friday, 22 May
ALL I DESIRE - Barbara Stanwyck, Richard
Carlson (No rating available)

Saturday, 23 May
THE VANQUISHED - John Payne, Jan Sterling (Color) (Good rating) A big, splashing action drama set in the aftermath of the Civil War is the latest production venture of William H. Pine and William C. Thomas. Made in a standard narrative framework, the picture boasts color by Technicolor, a good flow of action, and a large cast that includes John Payne, Jan Sterling, Coleen Gray and Lyle Bettger. The picture should have little trouble pleasing the average action fan.

Tuesday, 26 May
STALAG 17 - William Holden, Don Taylor (Excellent rating) Life in a Nazi prisoner of war camp is depicted with a dramatic rush of events in "Stalag 17." Under the production guidance of Billy Wilder the picture emerges as a superbly balanced job whose grim theme is lighted by frequent sparks of humor.

Friday, 29 May
FARMER TAKES A WIFE - Betty Grable, Dale Robertson (Color) (Very good rating) The stage play of Frank Elser and Marc Connelly has been transferred to make a huge screen musical whimsy, and jammed full of tuneful, cheerful and lilting songs. The result is a thorough musical, with mere whiffs of comedy or drama. The audience pleasure results less from Betty Grable or Dale Robertson or John Carroll or Thelma Ritter, than from the lavish, detailed, quite superior sets in lovely designs and colors, and all in color by Technicolor--and from the seven songs by Harold Arlen, and lyricist Dorothy Fields and from the choreography flashing occasional dynamism, by Jack Cole.
